Objective

To be an instrument in fulfilling God's mission through the Seventh-day Adventist Christian education as a kindergarten, first and second grade teacher.

Experience

Grades 1-2, K-2 Teacher, Milwaukee Seventh-day Adventist School, Milwaukee, WI, July 2006-present

- Guides students in establishing a wonderful friendship with Jesus.
- Trains students to perform age-appropriate responsibilities.
- Uses differentiated teaching techniques to reach individual learning styles of students.
- Utilizes effective Language Arts and Math program through students' active participation in the educative process.

Grades 1-2, K-1 Teacher, Adventist Malama Elementary School, Waianae, HI, July 2002 – June 2006

- Made Jesus real in daily classroom activities.
- Provided effective and efficient classroom management program.
- Utilized computer technology in lesson presentation, discussion or exploration.
- Used effective beginning Reading/Phonics and Math program.
- Integrated students' love for fun and creativity with learning.

Kindergarten Teacher, Adventist International Mission School, Saraburi, Thailand, April 2000 – December 2001

- Utilized teaching of English as a second language to introduce Jesus to Buddhist children (and parents) of Thailand.
- Provided multi-cultural group of children opportunities to share their unique heritage with their classmates.
- Maintained an orderly class through the implementation of effective classroom discipline.

Pre-K and K Teacher, Rosario Adventist Elementary School, Batangas, Philippines, June 1999-March 2000

- Participated actively in the promotion of Adventist education through holding special Education Sabbath programs.
- Used games, arts, music and dramatic play as effective tools in learning.
- Provided a homey classroom environment where children feel loved and secured.
